New Albany, OH • arnanjaisrivastava@gmail.com • +1 (380) 710-6123

STEM Leader & Robotics Team Executive Board Chairman

Proactive student leader with hands-on experience in mechanical design, field fabrication, and cross-functional team leadership through competitive robotics. Skilled in CAD, rapid prototyping, and project coordination, with a track record of finishing builds ahead of schedule. Applies engineering skills in service of others: 3D-printing assistive devices, designing an affordable Hoyer lift and brings the same discipline to Scouting, academic competition, and music.

SKILLS

- CAD design, mechanical assembly, and field fabrication for competitive robotics
 - Team leadership and mentoring across grade levels in fast-paced, deadline-driven environments
 - Project coordination: scheduling, logistics, budgeting, and stakeholder communication
 - 3D printing and rapid prototyping; multilingual in English, Hindi, and Bangla
-

EXPERIENCE

Paid Work Experience

Otterbein Senior Center, New Albany, OH, **Certified Nursing Assistant (CNA), Jun-Aug 2026**

- Delivered daily personal care, mobility support, and safe patient transfers for senior residents over 140 hours. Experience directly informed the design of an affordable Hoyer lift.

Lead the Way, Paid CNA Certification Trainee, Summer 2026

- Earned CNA certification through a paid training program, completing coursework and a clinical residency at a New Albany skilled nursing facility.

PAST Foundation , Paid Intern, Summer 2024 (8 Weeks)

- Designed and 3D-printed assistive fidget tools for children; sourced a large-format 3D printer from IC3D for higher-volume production, learned presentation and interpersonal skills.

Extracurricular Activities Experience

FIRST Robotics Team 5667, New Albany, OH, **Executive Board Chairman, Current & Team member 2024-2027**

- Led the 2025 FRC finalist safety animation and led 2025 field fabrication, finishing significantly ahead of schedule while training rookies.
- Organized the 2024-2025 Robotics Farmer's Market Initiative and built a consistent mentorship program for the middle school robotics team.

Boy Scouts of America, New Albany, OH, **Life Scout, Senior Patrol Leader, 2017- 2027**

- Earned NYLT certification and Order of the Arrow membership; completed 13 merit badges in one week at summer camp.

Science Olympiad, **Captain (current) & Varsity Team Member, 2024- 2027**

- Founded a team-wide communication channel and secured the maximum Student Council grant, the only club to do so that year.

Research Projects - Senior Seminar Capstone, **Designed an Affordable Hoyer Lift, Jun-Aug 2026**

- Independently scoped, CAD-modeled (Onshape), and fabricated a low-cost patient-transfer lift over 121 hours, guided by nurse/mentor interviews and force simulations on material choice.
-

OTHER ACTIVITIES & CERTIFICATIONS

- Columbus Youth Orchestra (Repertory), 2024 • School Orchestra, 2024 • School Honors Band (Saxophone), 2024-2025
 - PAST Foundation Certifications: Leadership Excellence Credential; Ohio Means Job Readiness
-

EDUCATION

New Albany Plains High School, New Albany, OH — Diploma Expected 2028
